This paper presents a Joint Staff Advisory Note on Nigerias Poverty Reduction Strategy Paper. Within the framework of Nigerias federation, policy coordination between the three tiers of government is critical for achieving poverty reduction objectives. The National Economic Empowerment and Development Strategy (NEEDS) provides for a considerable increase in public investments, which primarily reflects the governments desire to address the countrys vast development requirements. NEEDS places considerable emphasis on strengthening public expenditure management to ensure that spending is effective, efficient, and clearly linked to the achievement of objectives of NEEDS.
