Seminar paper from the year 2006 in the subject Pedagogy - Intercultural Pedagogy, grade: 1,3, University of Lneburg, 20 entries in the bibliography, language: English, abstract: In the Seminar Corporation for Development and Education - the case of El Salvador we focused on the problems of Developing Countries and Third World Countries. The target of this overview is to show the different criteria which classify a developing country and to give a short description how the situation of one criteria is labelled and what consequences this has. As each topic could form an essay in itself, I can only give a short explanation. In the second passage of this essay I will focus the situation of AIDS in one African state, Zambia, up from history to recent statistics and prospects of the future. [...]
