

GENERAL PRACTICE INKLING

THE INTEGRATIVE APPROACH

V7-PDF47001 | 2016-03-10 | 29 Pages | Size 1,040 KB

A comprehensive medical textbook taking a holistic approach to contemporary general practice. This e-book takes an integrative approach to the diagnosis, investigation and management of health issues in the general practice environment. General Practice: The integrative approach e-book version covers the philosophy underpinning modern-day general practice, including primary and secondary prevention as well as acute and chronic disease management. This comprehensive e-book informs doctors of potential treatment and prevention options, as well as possible pitfalls, according to the growing integrative medicine evidence base. The first section of General Practice: The integrative approach e-book lays the foundations of integrative medicine while the second examines important medical conditions in a systems-based approach. Each chapter in this valuable health resource outlines required medical and consulting knowledge, while discussing physiology and pharmacological management plans of systems-based conditions. An evidence-based discussion of the available therapeutic options for the treatment of associated factors follows. This helps medical practitioners adapt their approach for individual patient needs. General Practice: The integrative approach e-book features contributions from experts in Chinese medicine, herbal medicine, nutritional medicine, naturopathy, and exercise therapy " all of whom incorporate their expertise into management plans that utilise multiple therapeutic modalities to achieve the best clinical outcome. incorporates evidence-based and safe therapies including conventional medical care, lifestyle interventions and complementary therapies is directed at best practice rather than alternative practice focuses on prevention and health promotion a symptomatic layout matching the approach of contemporary medical curriculum each therapeutic modality and therapeutics contributor is coded with an icon for easy modality reference a unique chapter covering medico-legal issues a ready reference herb/drug interaction chart expert authors include Dr Kerryn Phelps, well-known Australian medical practitioner and President of the Australasian Integrative Medicine Association (AIMA)
